# TROPICAL DREAMS SURVIVAL GUIDE

Author: Felicia Moncada

- Hydrate like it's your job
- Stretch before dancing (and after)
- Trust your friends, but verify your pockets
  - Not all souvenirs are intentional
  - If the bean fits, it sits
- Respect the bean distribution system
  - Loose beans create tight bonds
- Two beans in the hand is worth one in the bush (or beard if you're into that sort of thing)
- Some traditions are better left unexplained
- You don't find the green beans... they find you
- Pockets are temporary. Beans are forever.
  - IYKYK. Have fun. Stay weird.

**ROOMS GO ON SALE DURING TROPICAL DREAMS**

A vibrant, cartoon-style illustration of a pirate ship on a tropical island. The ship has three masts and is surrounded by palm trees, treasure chests, and a large parrot wearing a pirate hat. The background features a sunset sky and a large, colorful, abstract structure resembling a giant speaker or a stylized building. The title "SUNKEN SUITE" is written in large, 3D, metallic letters at the bottom of the illustration.
